

INC.

Cold Storage & Food Handling Containers

EXT, Inc. food handling totes set the industry standard for durability.

Because they are thermoformed, our containers have no invisible stress seams that occur in injection molded containers. Our products are manufactured to withstand the extreme cold of blast freezers (- 60 degrees F) and the heat of steam cleaning (170 degrees F). Available in natural (FDA Approved), gray, and black.

Product Number	Outer Dimensions	Height	Approximate Weight
271608-M	27" x 16"	8"	3.4 lbs.
271608-H	27" x 16"	8"	4.1 lbs.
